

You Are Invited!

*Bites, Bubbles & B-52s in
Blytheville, Arkansas!*

Join us on November 2, 2024, as the best of the best unite to benefit THE NATIONAL COLD WAR CENTER. Recognized by the U.S. Congress as the country's official National Cold War Center, this museum will be at an authentic site that once served as a Strategic Air Command Nuclear Alert Center—the actual front line of America's airborne nuclear arsenal and the front line of the Cold War.

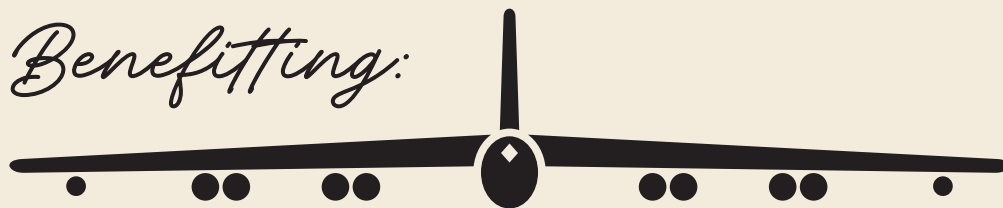

The Cold War Party, the center's annual fundraising gala, has become a must-attend, destination event. This year, we will reach new heights as guests enjoy a unique, elegant experience juxtaposed in a new wartime setting of a historic airplane hangar. From our exhilarating live auction to the up-close inspection of aircraft to delicious Southern fare, guests will go from cockpits to cocktails while dancing to all-American live music by The Stars and Stripes.

Alert your squadron to help make history happen and be part of a night that will make an honorable vision a reality.
